September ° ULYSSES UPON AJAX '
There is one calling himself Misodiaboles hath
•written against
Ihe Metamorphosis of Ajax (that Mr John
Hanngton wrote) a
libel called *Ulysses upon Ajax*> roundly rebuking
the author for
his immodesty therein ° It is an affectation of
singularity,⁹
saith he, ° a fruit of discontent, a superfluity of
wanton wit,
a madding with reason, a diligence without
judgment, a work
fit for Vblumnus the jester not Misacmos the
courtier In
form contrary to all rules of science, in matter
undecent,
filthy and immodest and touching the
authorities, they are so
weak and so wrested, as no chaste or Christian ear
may in reason

endure them * He declareth that Misacmos hath
no judgment
to find a law of reason against the law of
reverence, for many
necessities, of nature to be done, are not plainly
to be talked of ,
a circumlocution and a blush is sufficient to
interpret a filth7
necessity
